Uncertainty always makes Humanoids nervous.

Presumed knowledge is...

...a false friend, though...

Nagga sees you!

Seeking Information.

Certainty!

Nagga can tell you what...

SHE KNOWS!

Asking for
guidance?

What future
may hold?

Nagga's
predictions
all true...

...until
they...

AREN'T!

Humanoids
think they can
pay me...

...to hear
what they
want to hear.

But Nagga
knows better!

Future never
certain...

...when **CHAOS**
comes into
play.

So when
he came to
Tormentasia...

...no one
was safe.

Beware...

**SORGOTH
THE DEVOURER.**

RAAAAAA!

RAAAGH

One by one...

...thirty
nations..
FELL!

WREACH!
GROWL!

Monstrous
fiend...

...consumed
most of...

TORMENTOSIA!

Ash Mountains

*Jungle
of
Snitos*

Conim

Ascil

Ambros

*The
Liquid
Meadows*

STOMP

Including
Nagga's old
home!

See See See

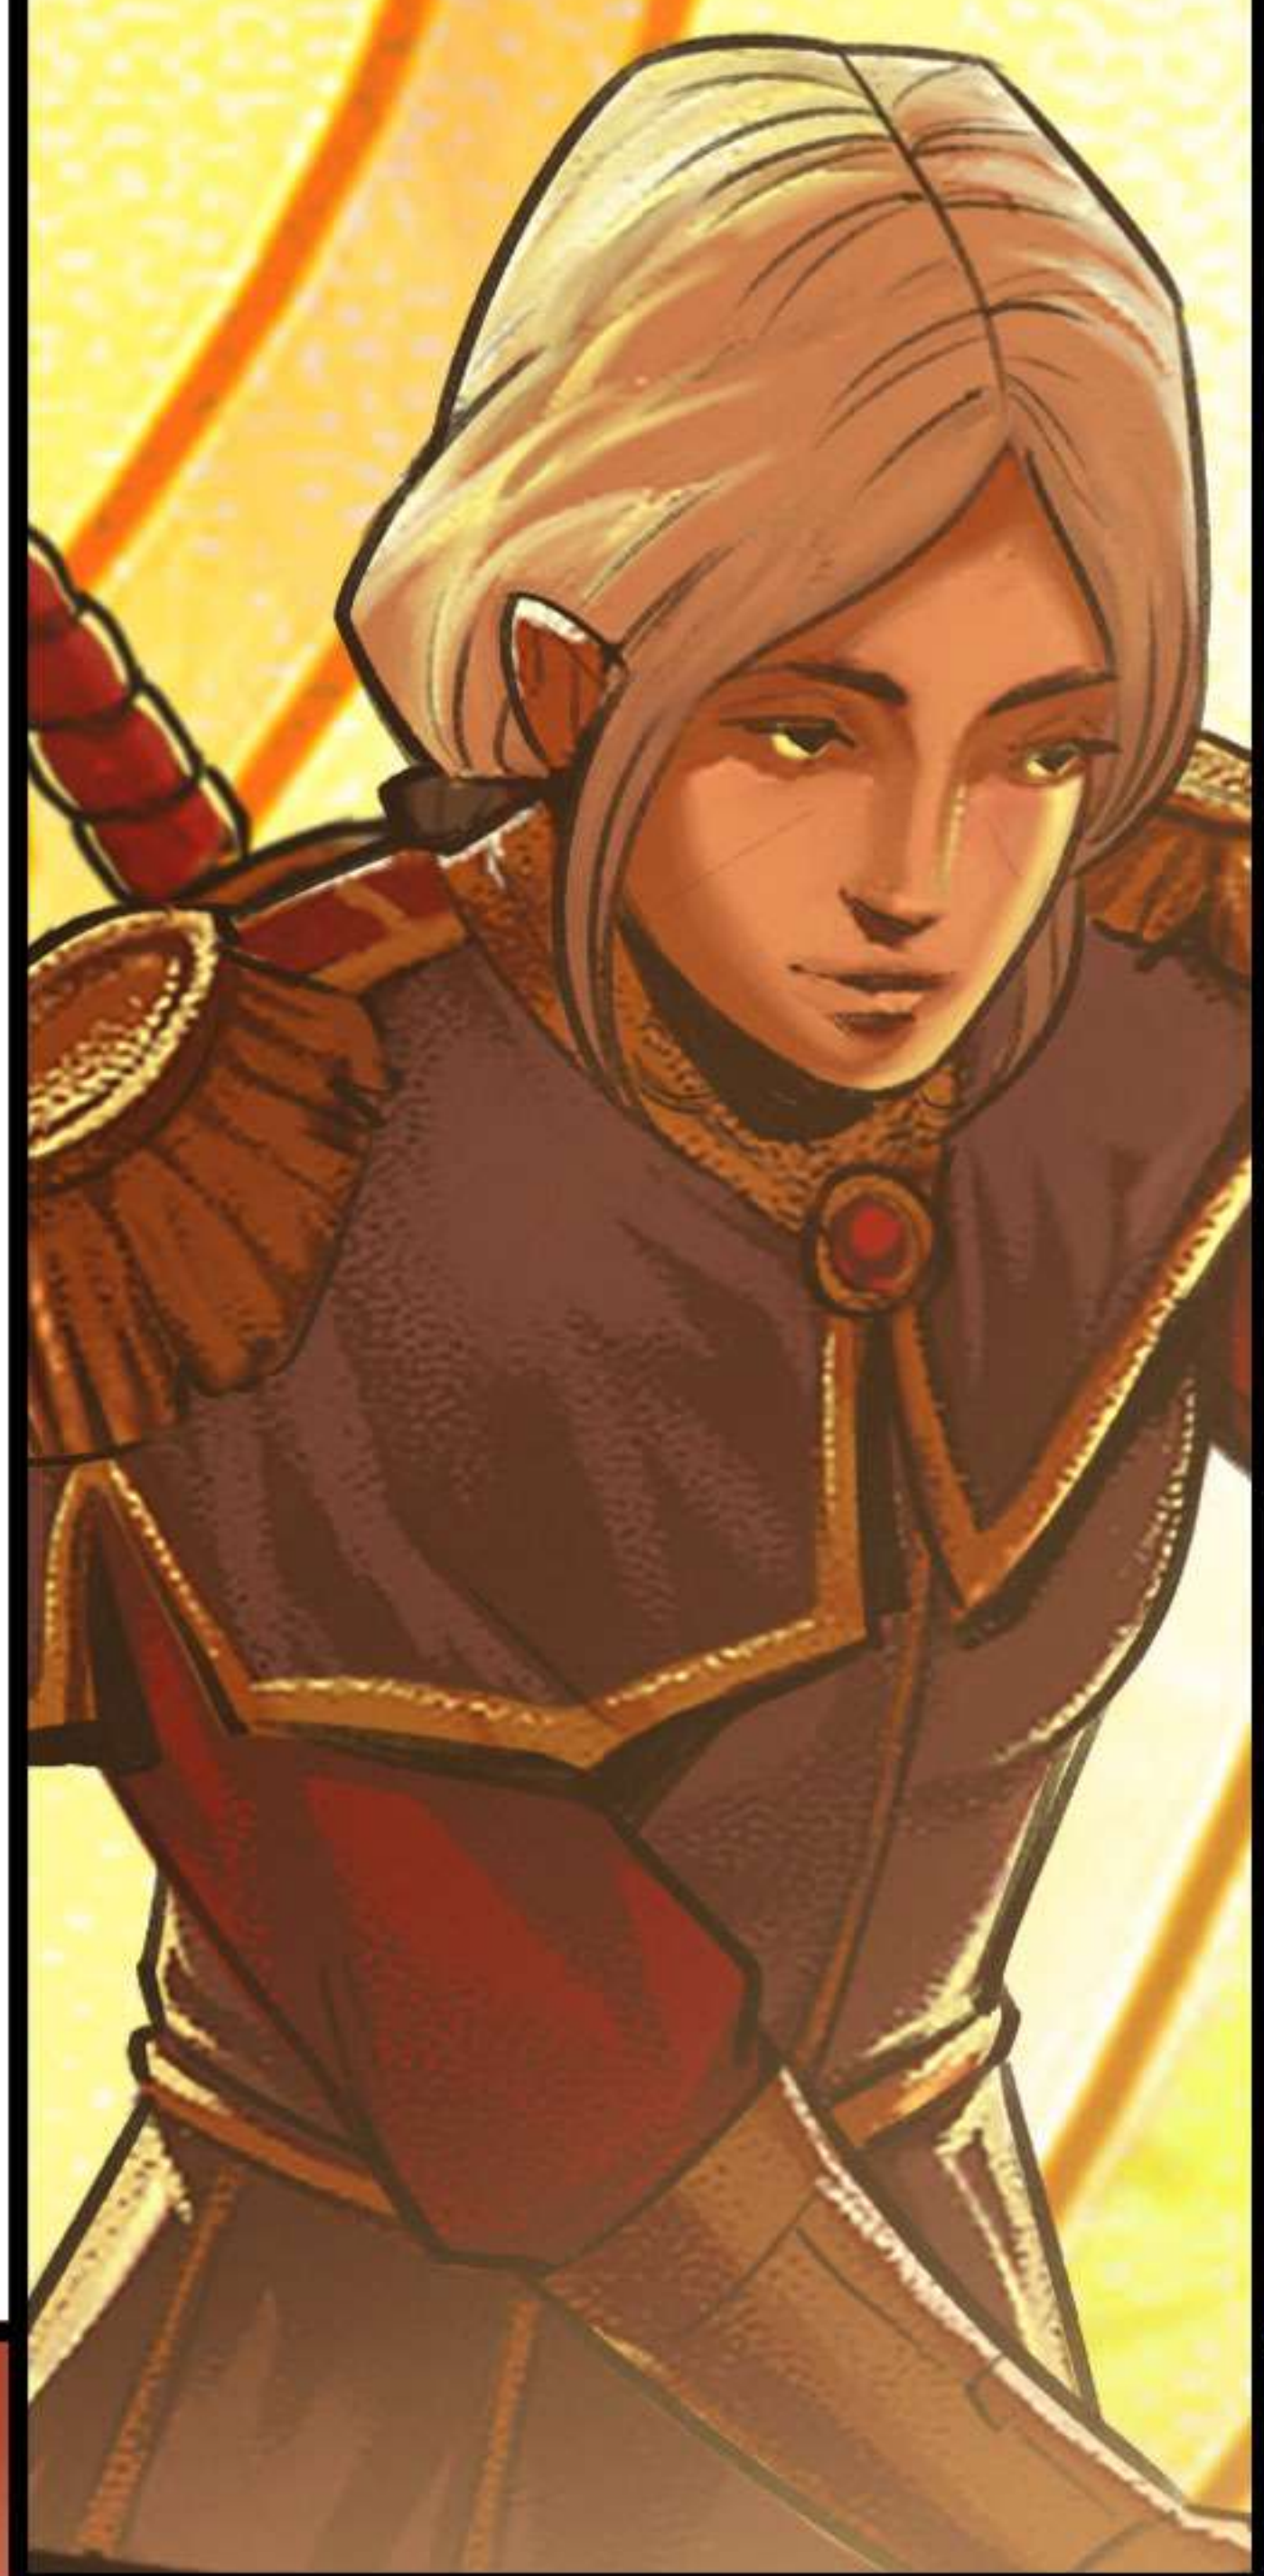

Only six
realms
remained.

United
they attempted
to build a final
frontier.

BIG PROJECT!

Very fancy,
Nagga thinks.

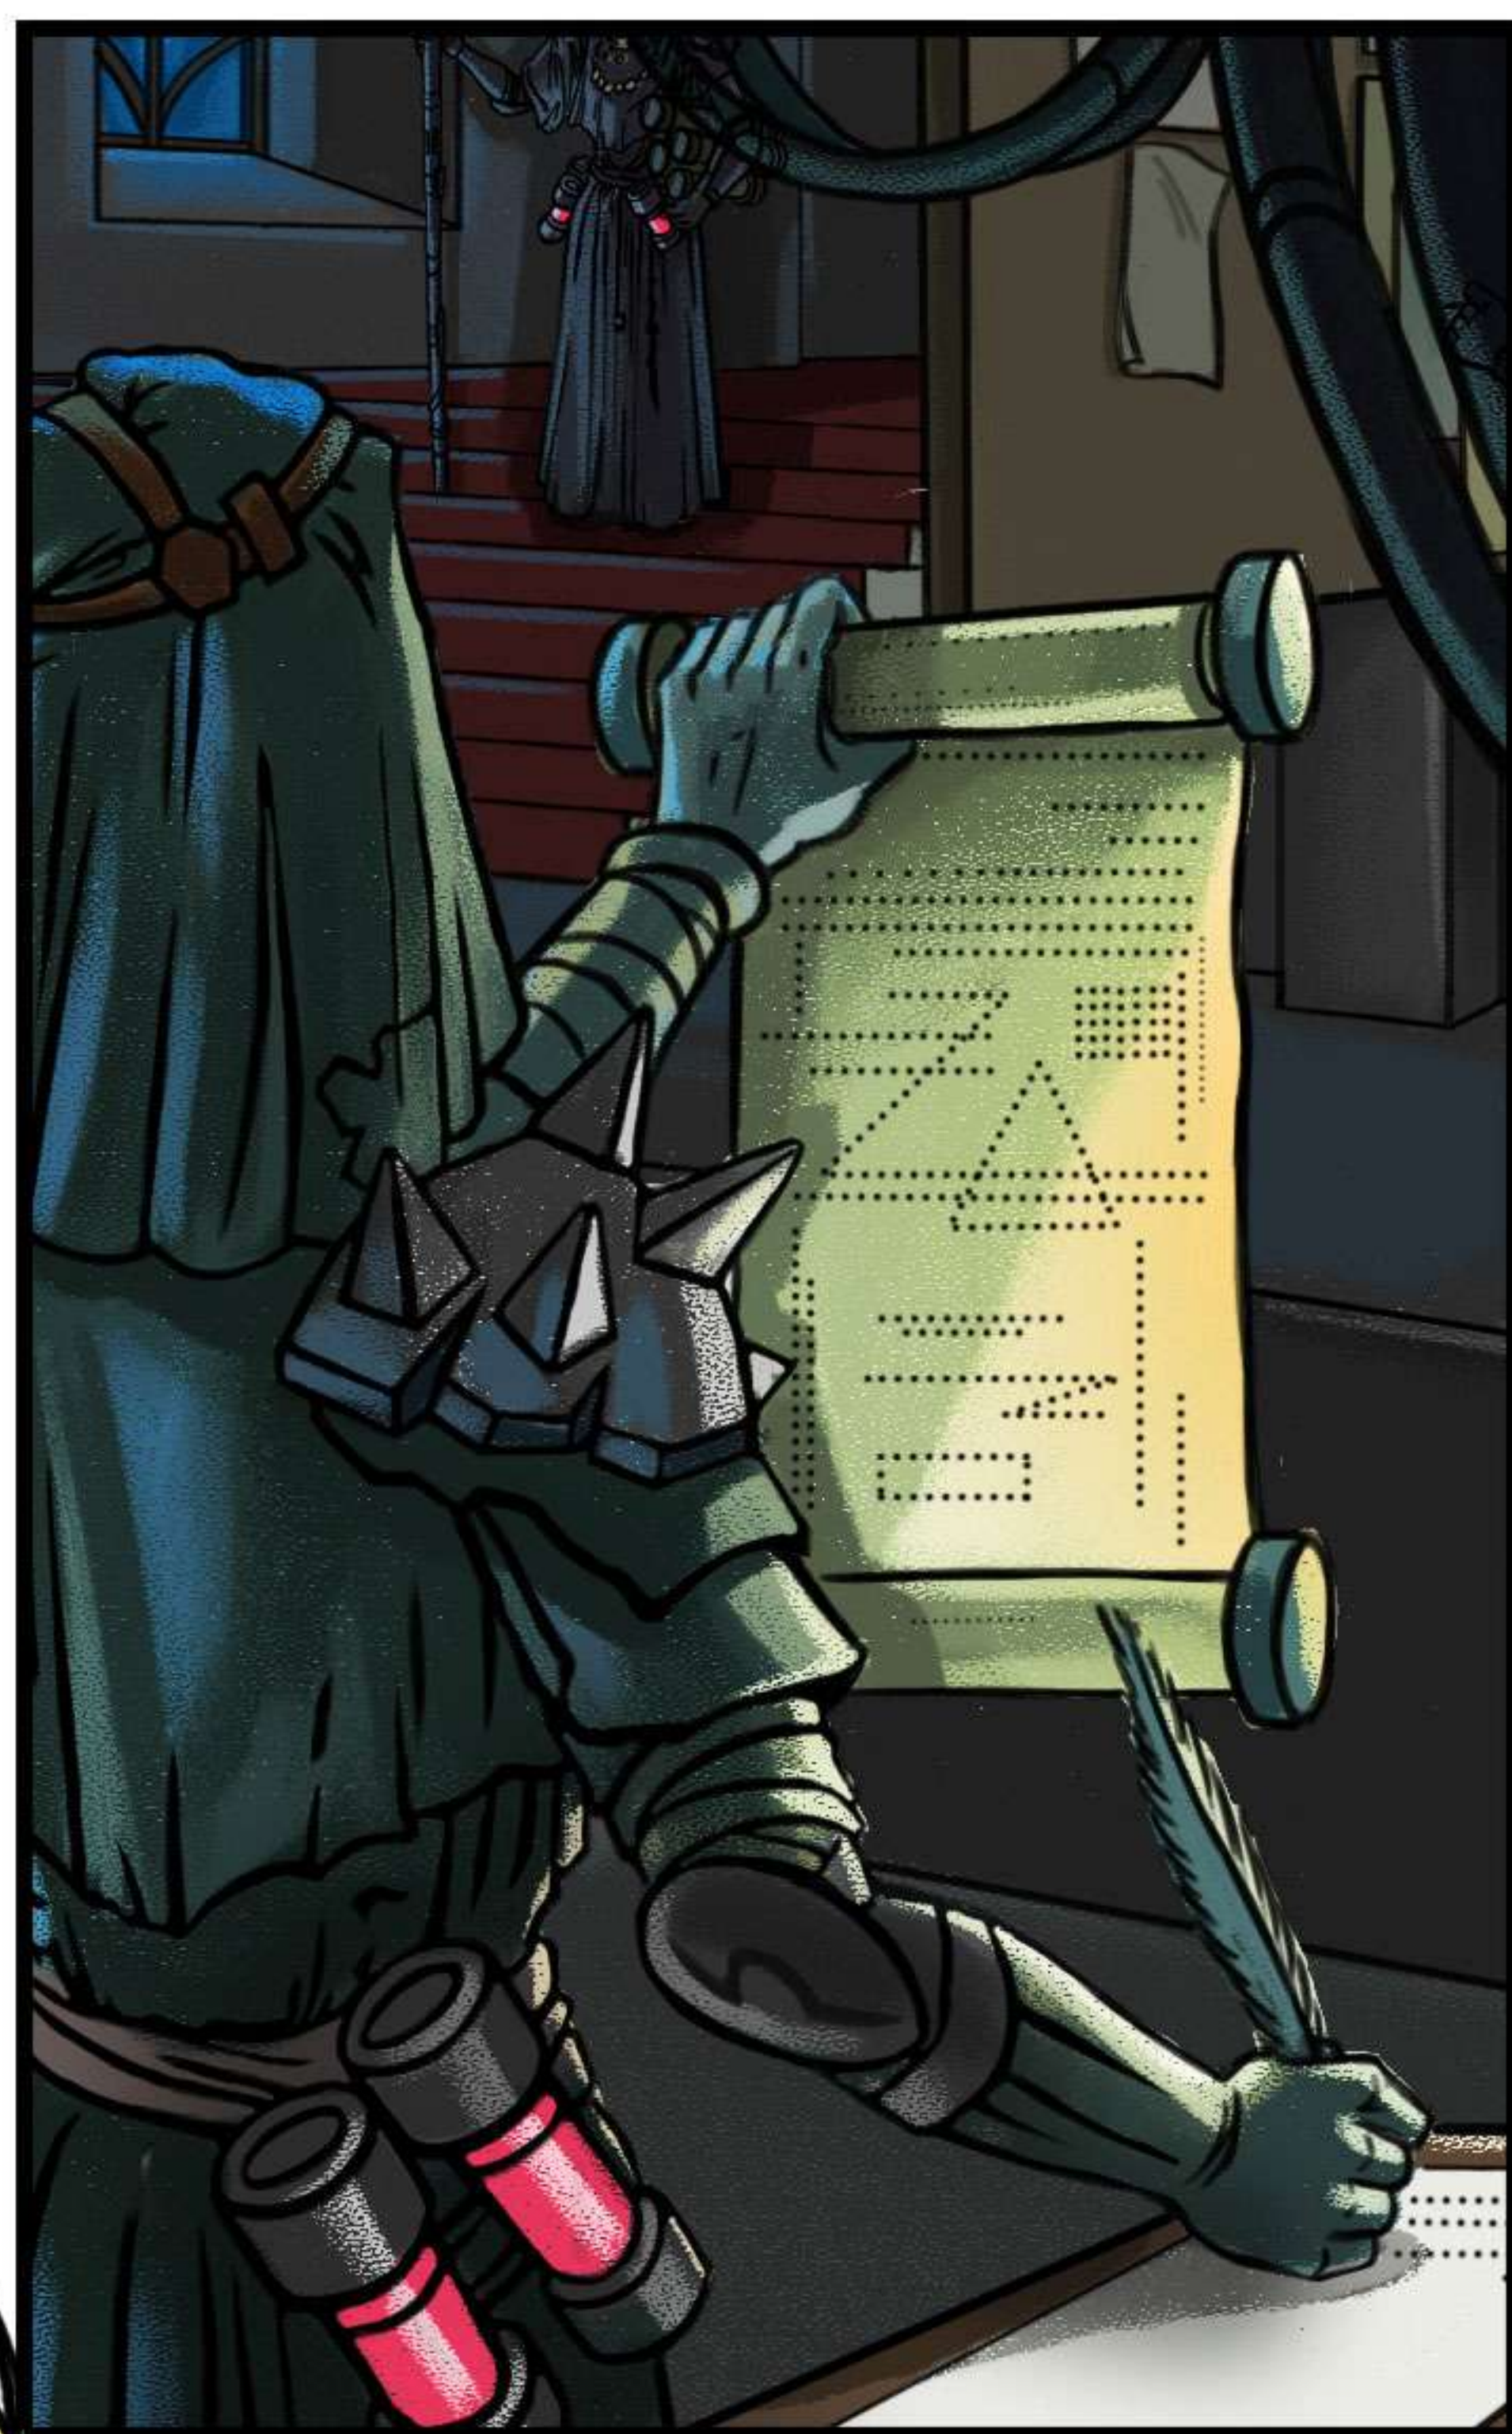

Hedonists
of Ambros gave
their fortune...

...and guarded
the newly built...

...city of
COREHEIM.

From dark lands
of Asciliath, Nosmerians...

...provided
complex ciphers
to generate...

...the
SHIELD.

Steam Dwarfs
of Ash Mountians
used these
ciphers...

...to bring
their great
inventions...

...to
LIFE!

Sauromancers
and their
majestic...

... **DINOBEASTS**

...formed the land
Coreheim is
built on.

SLURP

Swoosh

And while
Genetics from
Jungles of Initos...

...provided
their
mutagens...

...and
MUSCLE.

Children of the Source...

...gave away a piece of their heart...

...The **AQUANOPTICUM**

Origin of all their magical power.

And with their
united powers...

...these six
former enemies
achieved...

...the impossible.

...The
ULTRACORE!

A force
powerful enough
to keep us safe
from Sorgoth.

But the past
left its mark.

There is still
much to be done.

For future
is unpredictable

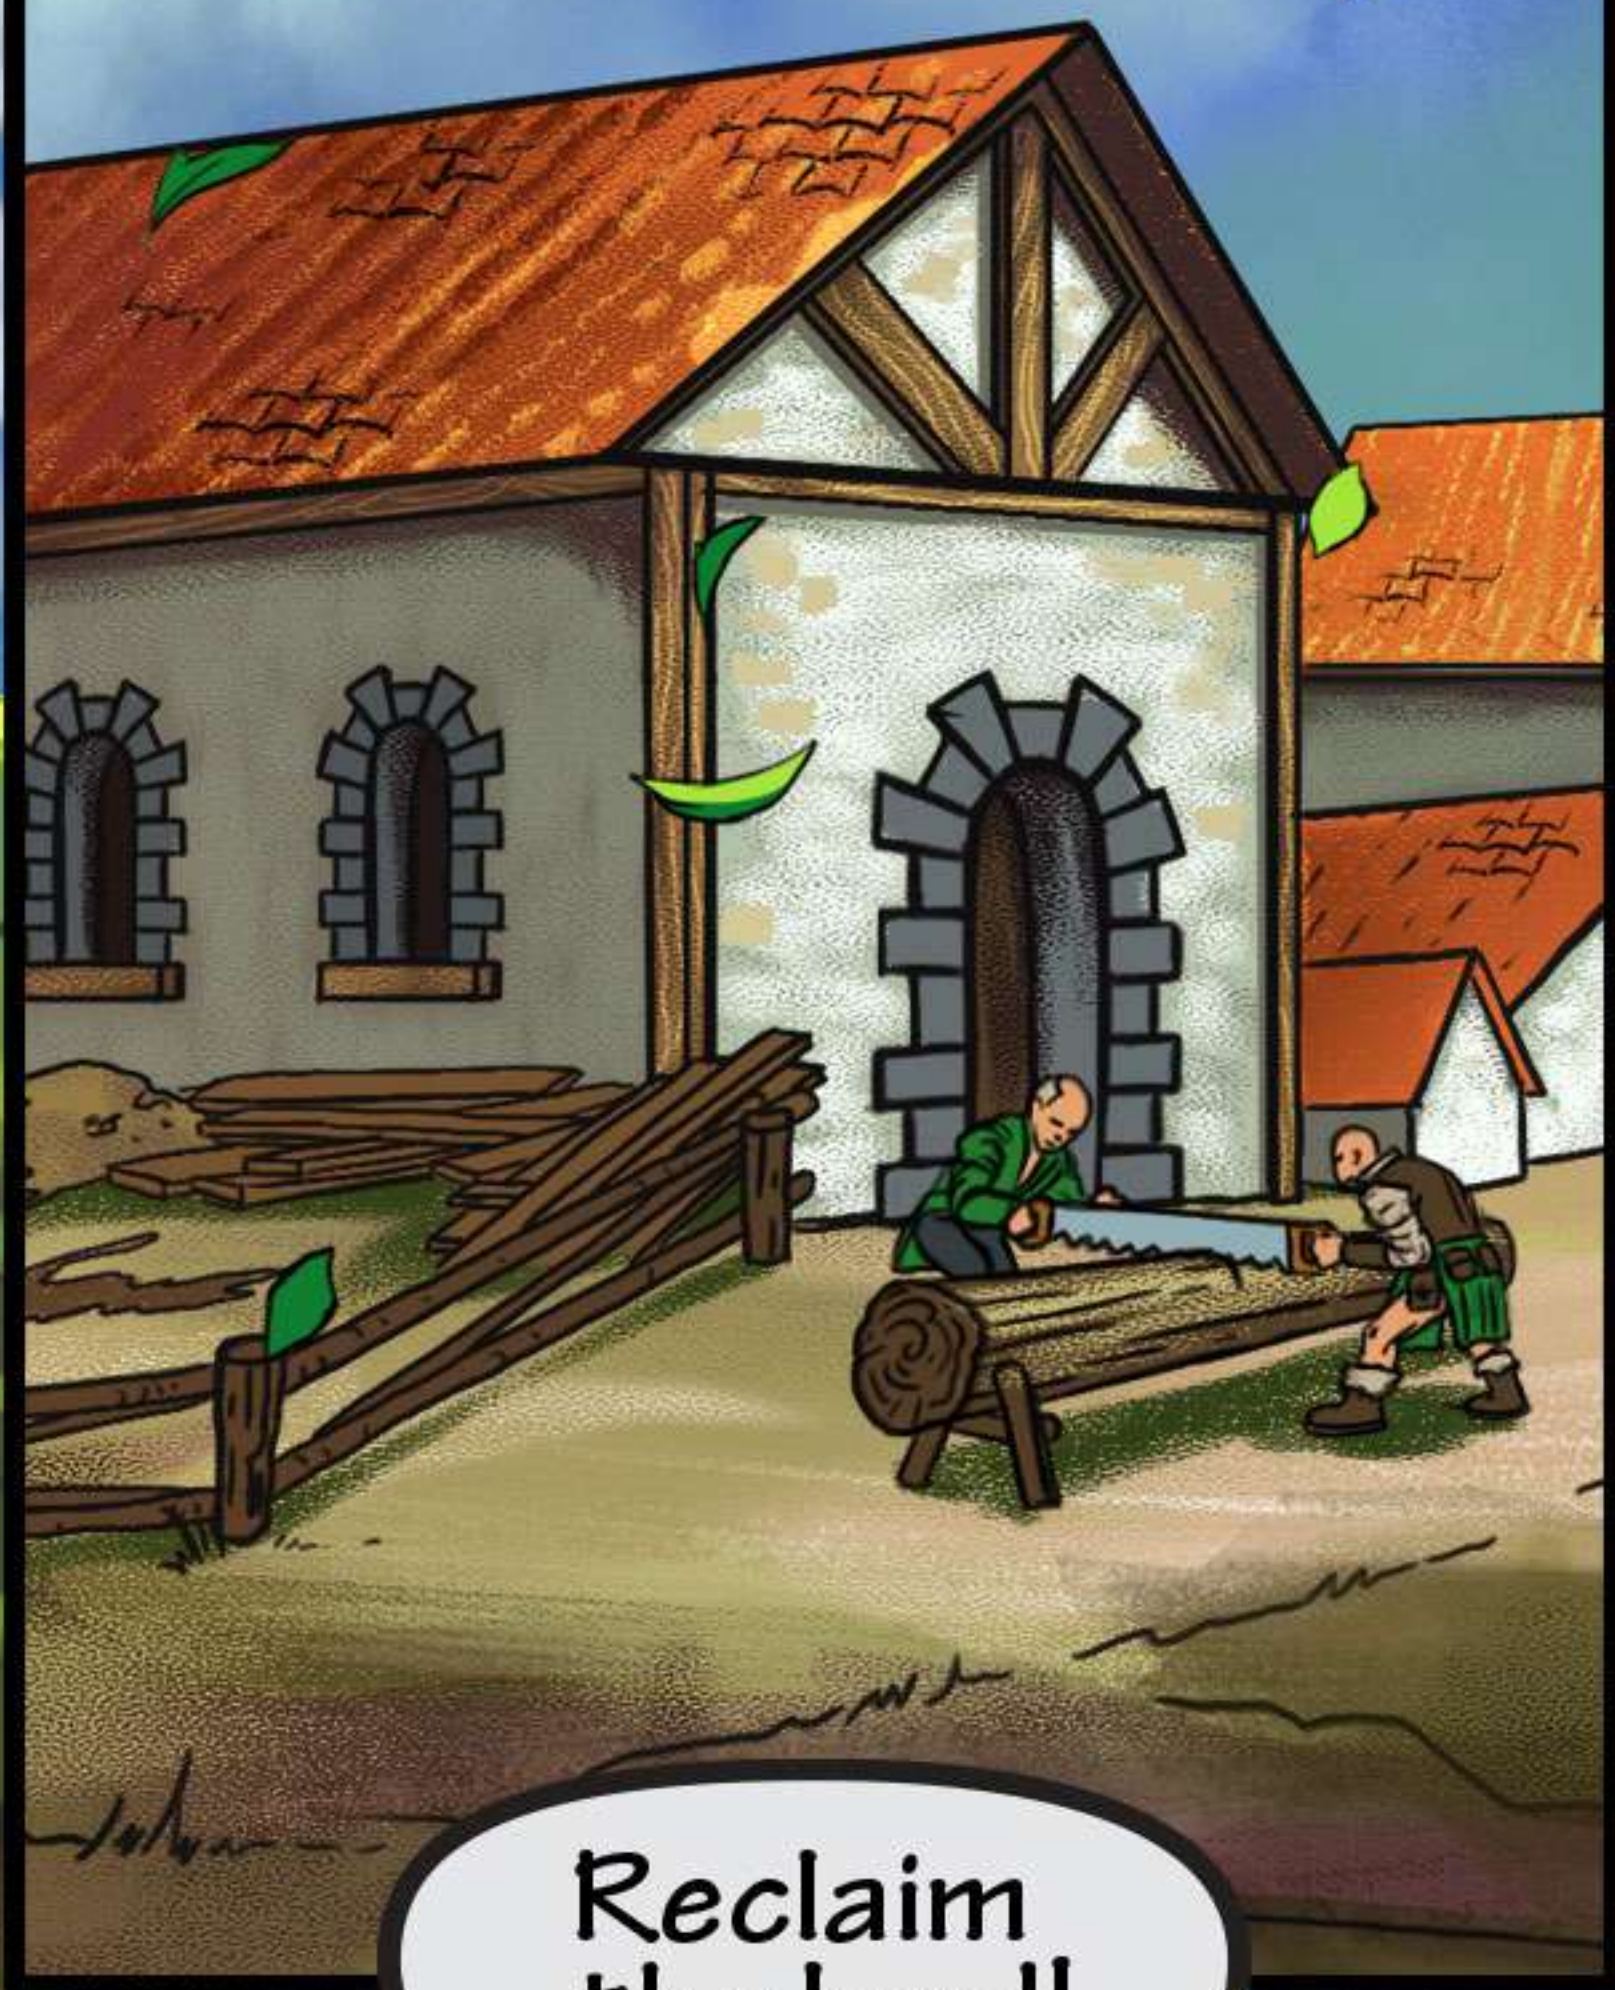

ky ky ky

...and formed
by those, living...

TOWARDS IT!

Time to
face your
challenge.

Reclaim
the land!

Unite
the people!

Restore
our former
GLORY!

One day,
Tormentosia
will be...

**FREE
AGAIN!**

...but only together,
we can make a brighter
future!

Future
was foretold!

You pay
Nagga now.

NO RETURNS!
